Funky Bookmark Range

A unique range of bookmarks have proven quite a success for Modern Form Designs. The Fabiola range of handmade Wirework anodized bookmarks are quite the accessory for any type of reading literature. They make the perfect gift as they are bright in colour, modern in design and functional!

There are two collections to choose from: original and animal. Designs include Star, Heart, Rose, Dolphin, Frog, Owl and Cat to name a few.

Free striking POS stands are also available to house these great bookmarks for orders in excess of 48 pieces. They can be placed on counter top with a minimum of space or simply wall hung.
